THE NO SURPRISES ACT
STANDARD NOTICE AND CONSENT DOCUMENTS

(OMB Control Number: 0938-1401)

SURPRISE BILLING PROTECTION FORM

The purpose of this document is to let you know about your protections from unexpected medical bills. It also asks whether you would like to give up those protections and pay more for out-of-network care.

IMPORTANT: You aren't required to sign this form and shouldn't sign it if you didn't have a choice of health care provider when you received care. You can choose to get care from a provider or facility in your health plan's network, which may cost you less.

If you'd like assistance with this document, ask your provider or a patient advocate. Take a picture and/or keep a copy of this form for your records.

You're getting this notice because this provider or facility is not in your health plan's network. This means the provider or facility does not have an agreement with your plan.

Getting care from this provider or facility may cost you more.

If your plan covers the item or service you are getting, federal law protects you from higher bills:

- When you get emergency care from out-of-network providers and facilities, or
- When an out-of-network provider treats you at an in-network hospital or ambulatory surgical center without your knowledge or consent.

Ask your health care provider if you need help knowing if these protections apply to you.

If you sign this form, you may pay more because:

- You are giving up your protections under the law.
- You may owe the full costs billed for items and services received.
- Your health plan might not count any of the amount you pay towards your deductible and out-of-pocket limit. Contact your health plan for more information.

You **should not** sign this form if you **did not** have a choice of providers when receiving care. For example, if a doctor was assigned to you with no opportunity to make a change.

Before deciding whether to sign this form, you can contact your health plan to find an in-network provider or facility. If there is not one, your health plan might work out an agreement with this provider or facility, or another one.

See the next page for your cost estimate.

Estimate of what you could pay

Total cost estimate of what you may be asked to pay: It is your ethical right to determine your goals for treatment and how long you would like to remain in therapy unless you are pursuing mandatory treatment. Please see the breakdown of possible fees on page four.

- ▶ **Review your detailed estimate.** See page four for a cost estimate for each item or service.
- ▶ **Call your health plan.** Your plan may have better information about how much of these services are reimbursable.

Prior authorization or other care management limitations

Except in an emergency, your health plan may require prior authorization (or other limitations) for certain items and services. This means you may need your plan's approval that it will cover an item or service before you get them. If prior authorization is required, ask your health plan about what information is necessary to get coverage.]
